

Hungary Missions

PICTURE INSTRUCTIONS

PICTURE

Your story will have your color picture printed with it. Please email a digital photograph, formatted something like the one to the right to Info@HungaryMissions.com. We can crop the picture if necessary, but be sure the face is well lit and clear. This one is almost too light.

You can send any typical hi-resolution picture you like and it can be cropped to fit. As an example, here is a picture of a small team from a previous project:

That picture can be cropped to be like this for the participant on a subsequent project:

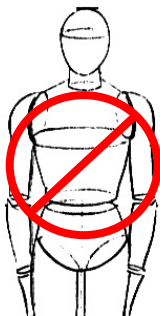

Taking a good picture for a story

You can take a very good picture for use on a story. Just follow these suggestions.

1. Choose a location with lots of ambient light, but not in direct sunshine.
2. on't use flash, which would cause a shadow
3. **Don't** pose the subject like any of these:

Side

Front

Head and body 45°

4. **Do** pose with body 45°, but head facing camera

Body 45°, head facing camera
